TRAINING SYSTEM ACTIVE LABOR POLICIES

MINISTERO del LAVORO
e delle POLITICHE SOCIALI

Body recognised by the Ministry
of Labour pursuant to Law 40/1987

who we are

Central Training School has been since 1975 a non-profit association, recognised by the Ministry of Labour as a national training body pursuant to Law 40/87.

mission

Promoting the integral development of the person through guidance and training to foster the employability and employment of young people and adults.

Scuola Centrale Formazione plays a representative, coordinating role at national level and provides support for activities of its member organisations that are inspired by the social doctrine of the Catholic Church.

values

SCF's values have been translated into principles who guide the association in its relations with internal staff, member organisations and the recipients of the activities and services offered.

-  Social and labour inclusion
-  Integral approach to education
-  Subsidiarity, networking and rootedness territorial
-  Centrality of the person
-  Methodological and technological innovation

associated entities

The Central School Training Network consists of **49 organisations** (educational and training institutions) in **14 regions** operating in more than 100 vocational training centres.

courses

services and activities

SCF's action is developed around two areas of intervention:

-  **Support to associated bodies:**
 - representation;
 - coordination;
 - services for the activities carried out by the institutions (guidance, training and job placement).
-  **Quality and innovation in the education system:**
 - refresher and qualification courses for professionals within the vocational training system;
 - information and communication activities;
 - studies, projects and information on calls for tenders.
