WHO WE ARE

SCUOLA CENTRALE FORMAZIONE

Scuola Centrale Formazione is a network of Vocational Training schools in Italy.

SCF network includes **50 institutions (educational and training schools)** operating in 13 Italian regions, in **more than 100 centers** involving a total of 31,061 learners (adult and youth). This wide geographical coverage, from the North to the South of Italy, allows **SCF's VET schools to host**, through the Erasmus Plus Program, a significant number of learners and staff from abroad.

Scuola Centrale Formazione has also the **Accreditation Erasmus 2021-2027** and the Erasmus Plus **Excellence Award for Mobility**.

PROFESSIONAL ACTIVITIES

Scuola Centrale Formazione can provide a **working experience** in a real work environment: Internships **in companies** (which are usually from 3 weeks to 6 months long), **Job shadowing** and learning experience in our VET centers. SCF promotes **inclusion strategies** for learning and work context in all professional sectors.

Main professional fields:

- **Inclusion**
- **Catering** (characteristics of the Italian cousin, traditional products, kitchen techniques, food and sustainability)
- **Robotics and new pedagogic methodologies**
- **Industrial Mechanics**
- **Social and Health Care**

IN ITALY

MAIN HOSTINGS VENUES

Scuola Centrale Formazione's **incoming mobility model** has a "widespread" welcoming setting. As SCF is a national Network, it can arrange **hosting solutions in different regions** and cities in Italy, according to the specific needs and requests of the beneficiaries.

The main Incoming Departments are in **Milan, Genova and Catania**. Taking into account the professional sectors and the type of mobility activity plan, SCF can organize mobility in other destinations in the regions of Veneto, Emilia-Romagna, Marche and Puglia.

LIFE SKILLS

Taking part in a Mobility experience will allow you to **train your life skills**, as well as to learn more about team work, **discover your abilities** and the characteristics of a **different culture**.
