ABOUT US

SCUOLA CENTRALE FORMAZIONE

We are a **network of Vocational Training schools in Italy** that includes:

Our **wide geographical coverage**, from the North to the South of Italy, allows us to **host a significant number of learners and staff** from abroad through the Erasmus Plus Program.

OUR SERVICES

FOR LEARNERS & STAFF

1. **Internships** in Italian companies
2. **Training programs** in VET schools
3. **Training of Trainers/Teachers**
4. **Job Shadowing experiences**
5. **Logistics** (accommodation, transports, meals if required)

PROFESSIONAL FIELDS

Our extensive network enables us to offer experiences across **diverse professional fields** while addressing key cross-cutting themes, including **inclusion, innovative teaching methodologies**, and **digitalization**.

IN ITALY

MAIN HOSTING VENUES

Scuola Centrale Formazione's incoming mobility model has a **"widespread" welcoming setting**. The main Incoming Departments are in Milan, Genova and Foggia but thanks to our partners we can arrange hosting solutions in different regions and cities in Italy, **according to the specific needs and requests of the beneficiaries**.

LIFE SKILLS

Taking part in a Mobility experience will allow you to **train your life skills**, as well as to learn more about team work, **discover your abilities** and the characteristics of a **different culture**.

QUALITY STANDARDS

Scuola Centrale formazione is implementing mobility activities in accordance to the **European common set of Erasmus quality standards**, to ensure virtuous mobility experience and **learning outcomes** for all participants.
