

# *Finland* MOBILITY

HELSINKI - 2025

# About

We took part in a **two-week** mobility in **Helsinki, Finland**, within the **MOSAIC project**, a programme that promotes traditional **craftsmanship** and **creative skills**.

We were 5 Italian students hosted by the Finnish school **Omnia**, together with 5 students from Treviso from the *Lepido Rocco Foundation*.

## ✈ Overview of Finland

Finland is a Northern European country, famous for:

- **Nature** (forest, lakes, northern lights)
- High **quality of life** (modern and safe)

COMPILATION

DAY 3

# STREET ART

On the third day, we explored the city with an artist who guided us through Helsinki's street art.

We were impressed by the **creativity**, the **colours**, and the powerful **messages** behind each artwork.

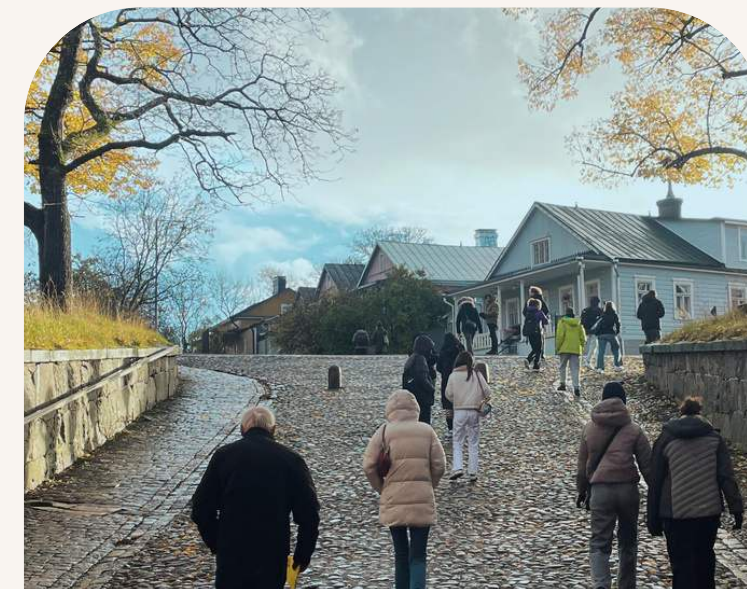

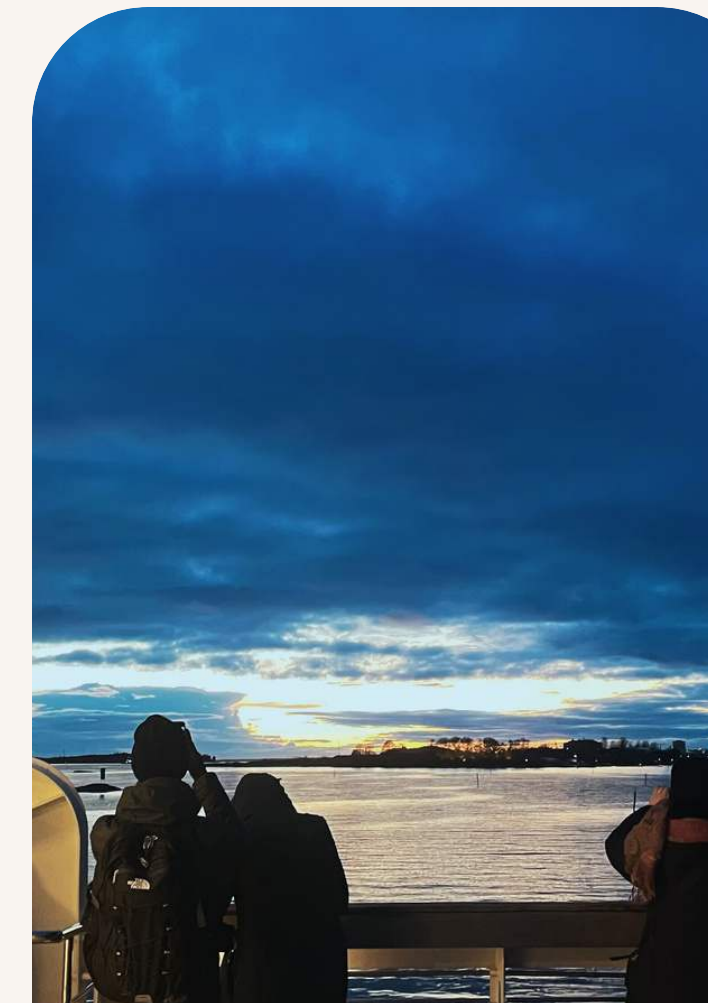

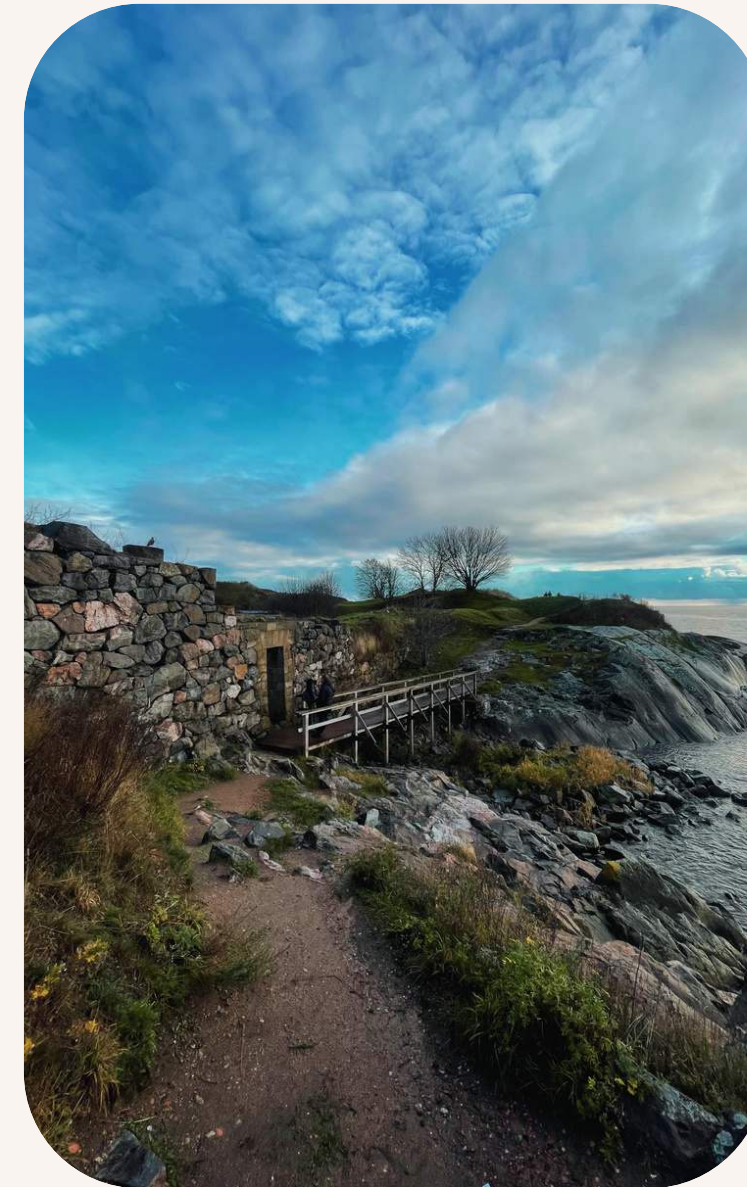

DAY 3

# SUOMENLINNA ISLAND

In the afternoon of the third day,  
we took the **ferry** to Suomenlinna  
Island.

It was a unique experience: we had  
**fun together**, and the **beautiful  
nature** (so different from what  
we're used to in Italy) was truly  
amazing.

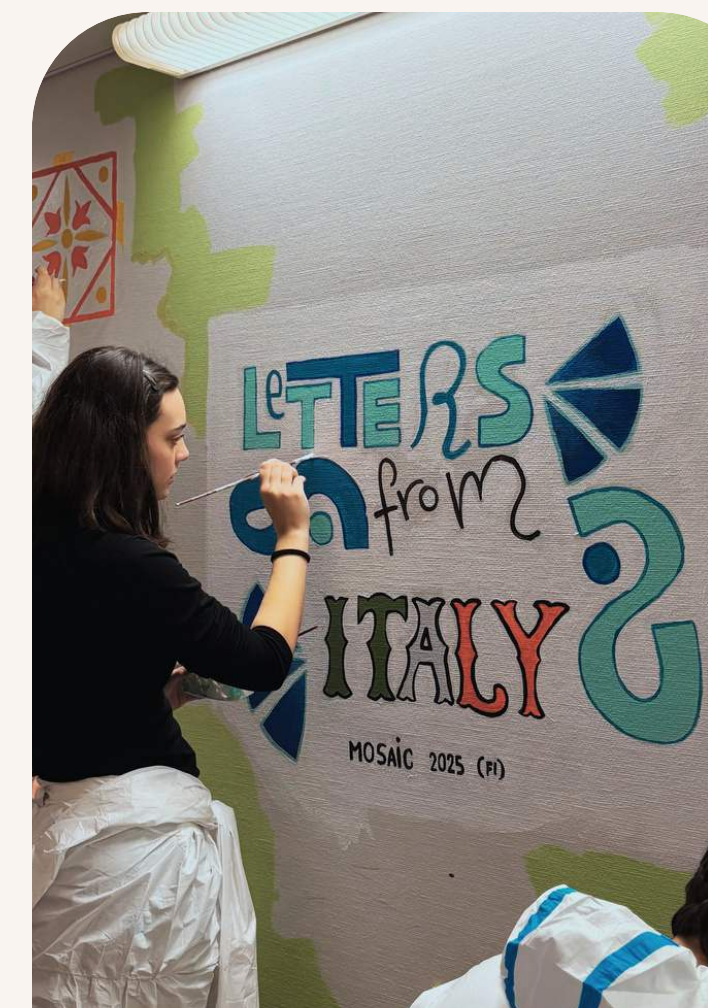

DAY 4-9

# ITALY MURAL

For four days, we worked in a wing of the Finnish school **Omnia**, creating a mural in a corridor.

We left a mark from Italy, painting images that represent our culture.

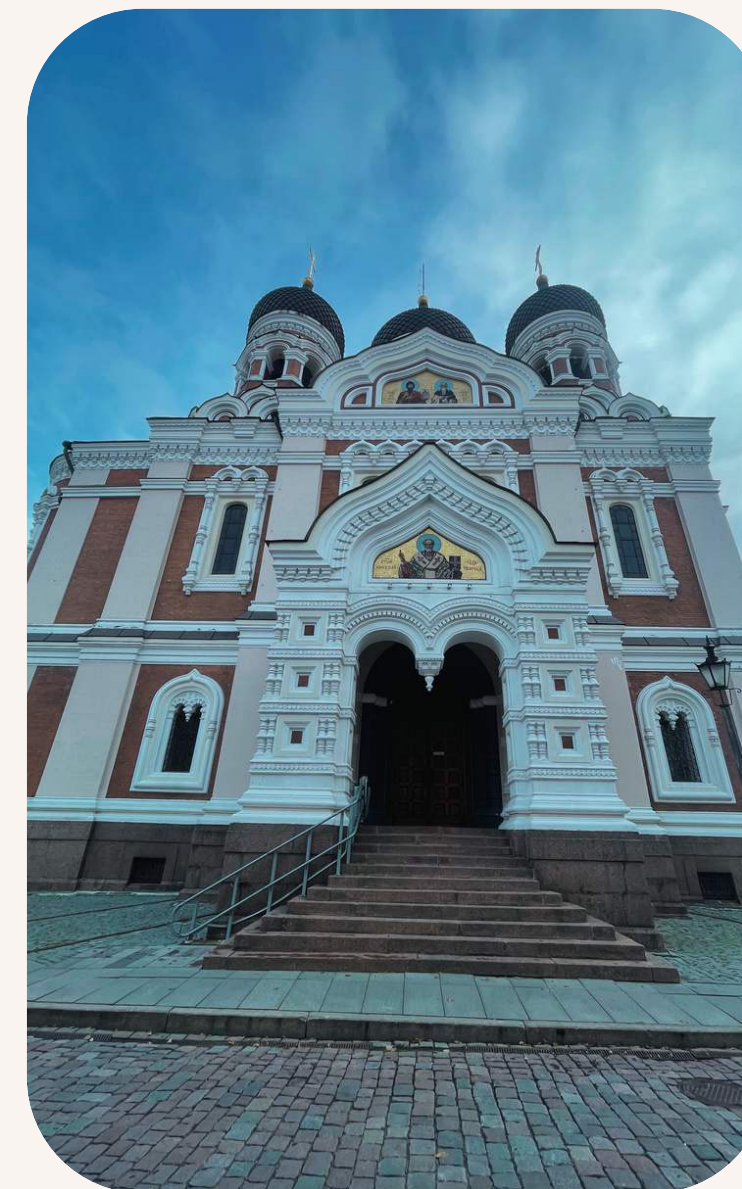

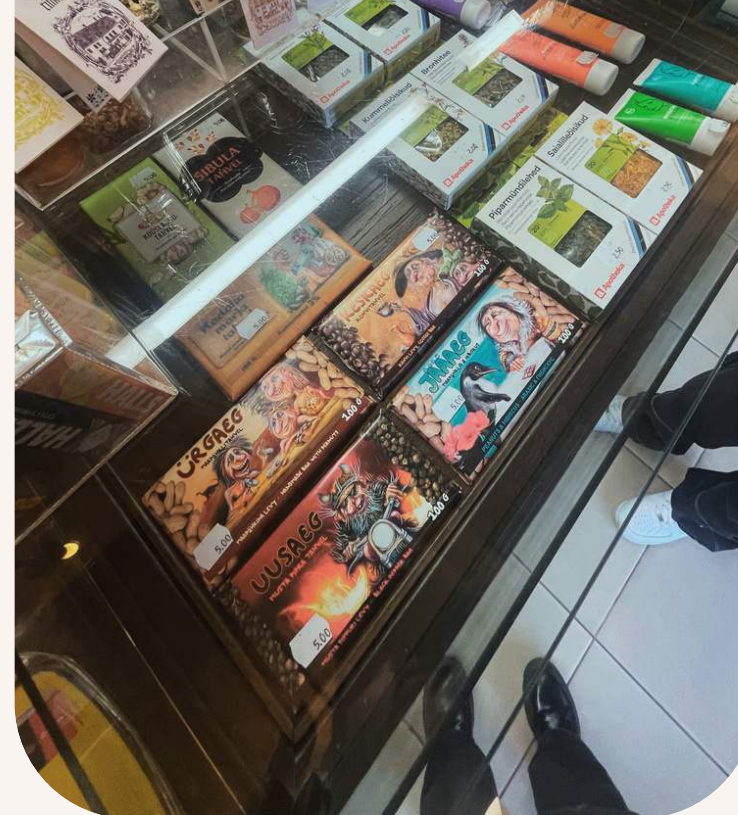

DAY 6

# TALLIN, ESTONIA

On Saturday, we took a ferry to Estonia for a day trip.

It was a lot of fun, and we enjoyed exploring the **historic city centre**, which felt very different from both Italy and Helsinki.

Ti diamo il benvenuto in Estonia ricordandoti che in Unione Europea hai a disposizione parte dei Giga più tutti i minuti

DAY 7

# REEINDEER PARK

On Sunday, we went outside the city by bus to visit a reindeer park.

We **fed the reindeer** and tried some **typical local experiences**.

DAY 11

# KLIMT MUSEUM

On the second-to-last day, we decided to visit the Klimt Museum, since we had all agreed on this activity from the start.

We really enjoyed it, as the museum's **interactive activities** helped us fully appreciate the art.

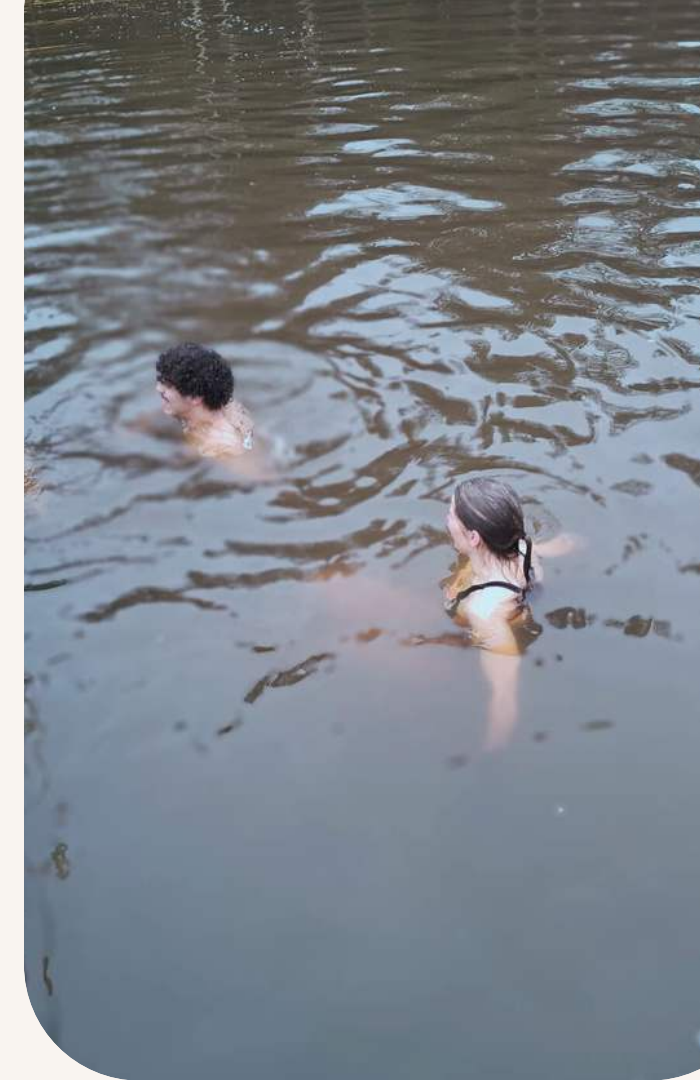

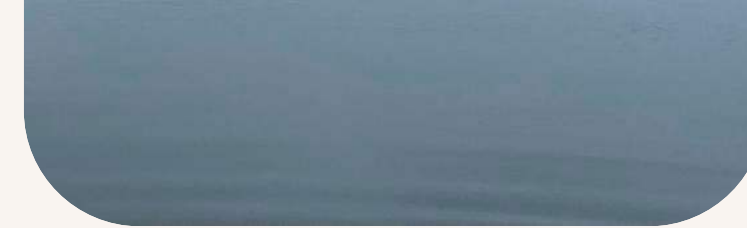

DAY 12

# FINNISH SAUNA

On the last day, we tried the typical **Finnish sauna**: *15 minutes in the sauna followed by dip in the cold lake for 3-4 times.*

It was a unique experience full of **adrenaline, energy**, and an incredible feeling of **well-being**.

*Other aspects that made*  
THE EXPERIENCE UNIQUE

# THE GROUP

What made the trip **unforgettable** was the group we formed: the *songs* we sang, the *evenings* spent talking in the lounge, the *dinners*, the *laughter*, and the shared *secrets*.

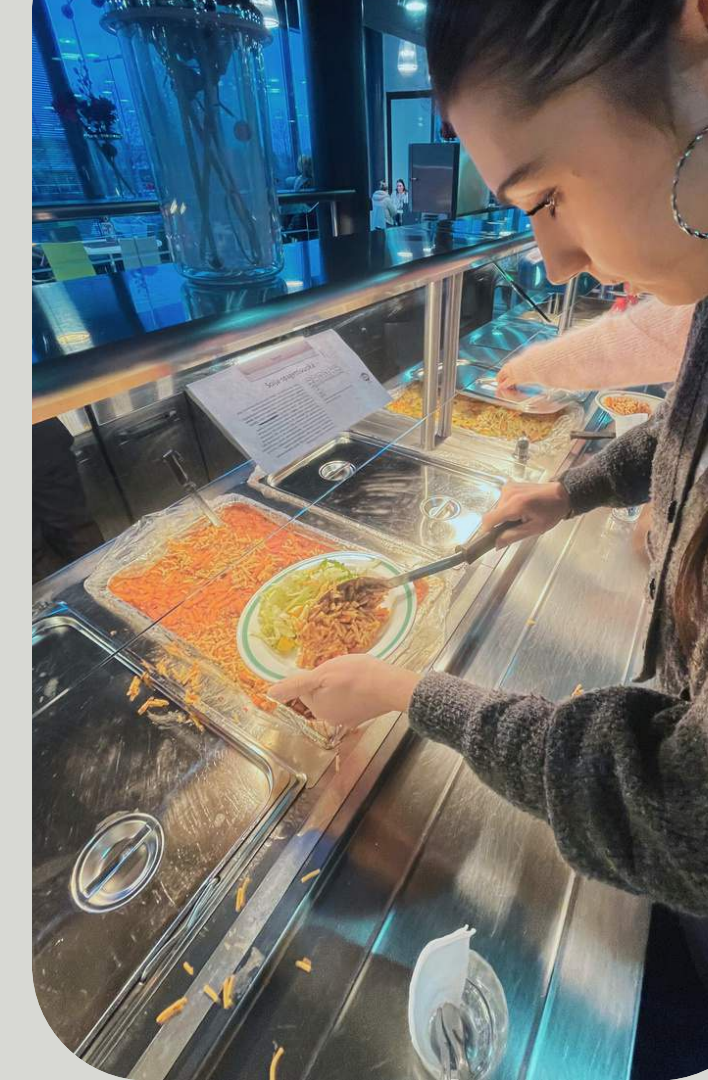

**These memories will be hard to forget.**

# OMNIA SCHOOL

Thanks to Omnia School, we were able to take part in activities that enriched us as creative persons and **broadened our minds** with **new ways of working.**

# *Finland* MOBILITY

SAYING "THANK YOU" IS REALLY NOT ENOUGH.

WE ARE SINCERELY GRATEFUL TO OUR **TEACHERS**, THE **STUDENTS** FROM TREVISO, THE **FINNISH TEACHERS**, THE **ORGANIZERS** AND EVERYONE WHO MADE THIS TRIP POSSIBLE.
