

partnerships

Over the years, Scuola Centrale Formazione has built direct relationships with a variety of stakeholders, including **European and national institutions, national social partners, and networks.**

national networks

Scuola Centrale Formazione ETS partners with national networks that bring together organizations with similar missions and purposes, each of which specializes in a specific sector and promotes the **exchange of best practices** and **collaboration** between its members on a national level.

international networks

Scuola Centrale Formazione ETS is part of five international networks that promote collaboration among organizations working in the same field.

SCUOLA CENTRALE FORMAZIONE

For over **50 years**, SCF has been promoting innovation and the development of best educational practices, international outreach, social inclusion, and innovation in the education system.

**VOCATIONAL EDUCATION & TRAINING
ACTIVE LABOR MARKET POLICIES**

Recognized organization by the Ministry
of Labor under Law 40/1987

about US

Since 1975, Scuola Centrale Formazione ETS has been a nonprofit organization recognized by the Ministry of Labor as a national training institution under Law 40/87.

mission

SCF mission is to promote the **holistic development** of the individual through guidance and training aimed at enhancing the **employability and employment** of youths and adults.

Scuola Centrale Formazione plays a role in **representing and coordinating activities** at national level and provides support for the work of its member organisations, which are inspired by the social doctrine of the Catholic Church.

values

SCF's values have been translated into guiding principles that shape the association's relationships with its staff, member organizations, and the beneficiaries of its activities and services.

-  Social and working inclusion
-  Person-centered approach
-  Whole-person approach to education
-  Methodological and technological innovation
-  Subsidiarity, networking, and local roots

member organizations

Scuola Centrale Formazione's network consists of **51 organizations** (educational and training institutions) located in **13 regions** and operating in **over 120 vocational training centers**.
